**Conference language: English**

**The reports should not take more than 30 Minutes**

**Date of delivery:**

Theme with a short summary until March, 31st, 2011

Report until May, 15th, 2011  
by e-Mail to: [info@eu-vet.org](mailto:info@eu-vet.org)

**Each participant of the congress receives the conference documents in form of an USB-Stick**

## Infrared-Competition

The participants have to solve tasks with an infrared camera. They can use their own camera; otherwise cameras can be provided.

The tasks will come from all areas of thermography. The three participants with the most points and the shortest times will arrive

### the *High Level*

In the *High Level* is to solve a further task in front of the audience.

The audience decides about the placement from 1<sup>st</sup> to 3<sup>rd</sup> place.

Attractive trophies are to win.

## Technical Corner / Equipment Exhibition

Here you have the possibility to check your camera.

Various manufacturers are presenting their new generations of infrared equipments. With consultation and demonstration.
